Employment History

Warehouse Goods In Operative, Luceco PLC - Telford

March 2023 - May 2023

Main duties:

- Worked as part of a fast-paced production line, continually achieving targets.
- Picked and packed with speed and precision.
- Loaded and organised goods onto trucks for shipping.
- Stacking and loading onto pallets
- Transporting stock using pallet pump/ truck
- Booking in goods and ensure all stock movements are accurately recorded.

Filling Crew Member, Action LTD - Amsterdam

May 2022 - November 2022

Main duties:

- As a team our duty is to refill shelves in the shop by loading boxes on work cars and filling them in the store according to their numbers or codes.
- We're also in charge of rearranging, mirroring and organizing products while helping the customers in the store with their needs. We also help customers carry heavy loads to their cars if need be.

Courier , Gorillas - Amsterdam

January 2022 - May 2022

Main duties:

- In Gorillas, my team and I (fellow couriers) deliver food and Groceries from the warehouse to various customers in their homes.
- Our work involves efficiency and hard work.
- We had to deliver Groceries as quickly and safely as possible while strictly following road signs and traffic lights
- We usually wore helmets and gloves for our safety and used e-bikes for a faster delivery. Carrying huge heavy bags at our backs for long and short distances was no easy task but at Gorillas we pride ourselves with hardwork and dedication.
- During busy times most of us were assigned warehouse duties as we helped scan and pack groceries into bags for the couriers.

Courier, Rockets - Amsterdam

September 2021 - December 2021

Main duties:

- My work with the Rockets was about delivering food from various restaurants to our customers in the morning, afternoon and evening depending on the type of shift.
- My work with the Rockets was about delivering food from various restaurants to our customers in the morning, afternoon and evening depending on the type of shift.

Qualifications and Training

Licensed Lift Truck Operator

West African Secondary School Certificate Education

Mfantsipim School (Physics, Biology, Chemistry, Mathematics)

IT Career Switch - Studying to become a full stack Engineer

Interests

I am a football and basketball lover. I like watching and playing football and a Manchester United fan. When I'm less busy I usually watch series or work on various projects.
